

## Introduction to the Theology of the Body Course

Experience Sadlier's Theology of the Body professional learning course, exclusively designed to provide an introduction for Catholic school teachers, catechists, and leaders.

Presented by Laura Domanico, this course delves into the profound teachings of Saint Pope John Paul II, offering a comprehensive start to the exploration of the Theology of the Body and its vital importance within the Catholic faith.

Throughout the course, participants will gain an understanding of:

- **Theology of the Body Core Concepts:** Understand the connection between the human body, soul, and spirit, as elucidated by the teachings of Saint Pope John Paul II.
- **Effective Spiritual Pedagogy:** Comprehend spiritual strategies intricately aligned with Saint Pope John Paul II's teachings, and guide and deepen the faith journey of those under your care.
- **Relevance in Today's Educational Landscape:** Infuse the beauty and truth of humanity, dignity, respect, and love in classrooms and life—navigating the complexities of the modern world.

This course includes four modules:

- **Module 1:** Background of Theology of the Body
- **Module 2:** Creation, Redemption, & Marriage in Heaven (Three Originals)
- **Module 3:** Love As It Was Meant to Be and Chastity
- **Module 4:** The Language of the Body & Marriage on Earth
