## Boost Fluency

Boost students' reading and writing skills with the *Fluency Booster Practice Book*. A variety of Tier 1 and Tier 2 practice and application opportunities increase students' vocabulary, fluency, and comprehension.

- **Decodable Texts** allow students to apply phonics skills, develop strong reading behaviors, build fluency through repeated reading, grow Tier 2 vocabulary, and increase comprehension.
- **Writing activities** help students transfer phonics skills to writing through authentic activities in response to reading.
- **Fluency practice** accelerates mastery of phonics skills and promotes fluency with cumulative practice using sentence-level repeated reading.
- **Handwriting** instruction and practice (in Level K) fosters handwriting and letter writing fluency, increases letter recognition automaticity, and improves reading skills.
- **Partner Reading** (in Levels B and C) provides opportunities for students to decode texts with a focus on fluency.

### Streamline Your Assessment

Get a complete picture of a student's growing foundational skills with routinely administered interactive assessments.

**NEW Comprehensive Spelling and Phonemic Awareness assessments and reports** help teachers to easily view class and individual student progress. Links at point of use to Item Analyses and If/Then statements inform next instructional steps. Every lesson includes Cumulative Fluency Checks. Other assessments include: Letter Name, Letter Sound, High-Frequency Words, and Comprehensive Phonics Survey.

**Save time** with teacher-administered and self-guided student administration options with and without a student's audio recording.

**Administer diagnostic, formative, and benchmark/summative Interactive assessments** to monitor students' progress for accuracy, fluency, and speed.

**Score assessments** in real time or asynchronously.

**Analyze reports** to inform differentiated instruction.

## Reinforce Skills

A collection of online student and teacher resources support the development of students’ decoding, encoding/spelling, blending, vocabulary, word awareness, and reading comprehension skills after initial teacher-led instruction.

- **240 Decodable Texts** help build decoding skills and allow for differentiation across all levels.
- **240 Decodable Texts Lesson Plans** support instruction before, during, and after reading decodable texts.
- **454 Interactive Practice Activities** provide additional practice with blending, vocabulary, word awareness, reading comprehension, and encoding/spelling.
- **Sound** (Vowel and Consonant) and **Grapheme Wall Cards** with **Articulation Videos** help students properly associate spoken sounds with printed words and match phonemes with graphemes.
- **NEW Short Vowels Sound Cards** provide support with sounds in the initial and medial positions.

## Boost Vocabulary for All Students

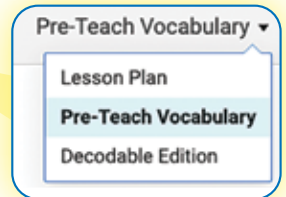

**NEW Vocabulary Booster with Spanish Support** is integrated into each lesson, specifically crafted to aid ELL and multilingual learners in enhancing their vocabulary. Audio support, visual representations, and a pre-teaching vocabulary routine help students connect with words in their native language.

**Picture Support:** Use a picture to discuss the word's meaning.

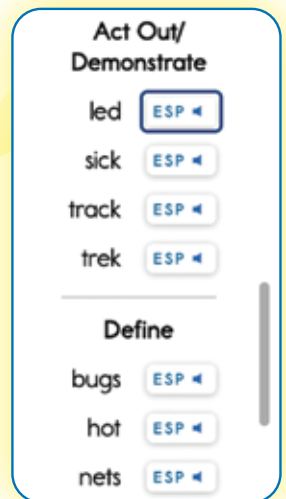

**Pre-Teach Vocabulary:** Use a variety of ways to pre-teach vocabulary in the decodable texts.

**Act Out/Demonstrate:** Use an action/act out to demonstrate the word's meaning.

**Define:** Use a simple student-friendly definition to discuss the word's meaning.

## Captivate Students with Interactive Tools

The **NEW Interactive Pocket Chart** provides an interactive and visual way for students to engage with language, making connections with letters, sounds, and words. It features four workspaces:

- Whiteboard
- Elkonin Boxes
- Pocket Chart
- Sorting Boxes

### Transition Students Seamlessly!

This module-based intervention program develops K-5 students' proficiency in foundational literacy skills. Systematic and explicit instruction with an embedded review and repetition cycle is supported by an easy-to-use Teacher's Edition, corresponding digital resources, and on-demand Professional Development videos for each module. *Building Reading Success* provides:

- **Flexible implementation models** to address various instructional schedules and strategies
- **Direct instruction** of target skills with ample guided practice and application in real reading and writing
- **Integrated vocabulary and syntax instruction** to increase language comprehension
- **Innovative digital resources**, such as an interactive pocket chart with preloaded and customizable instruction options and interactive games for active learning
- **Interactive assessments** to determine placement and measure student progress throughout each module
- **A transition module** (*Advancing Reading Success*) to preclude decayed learning and ensure student success is maintained

## Wiley Blevins Exclusively for Sadlier!

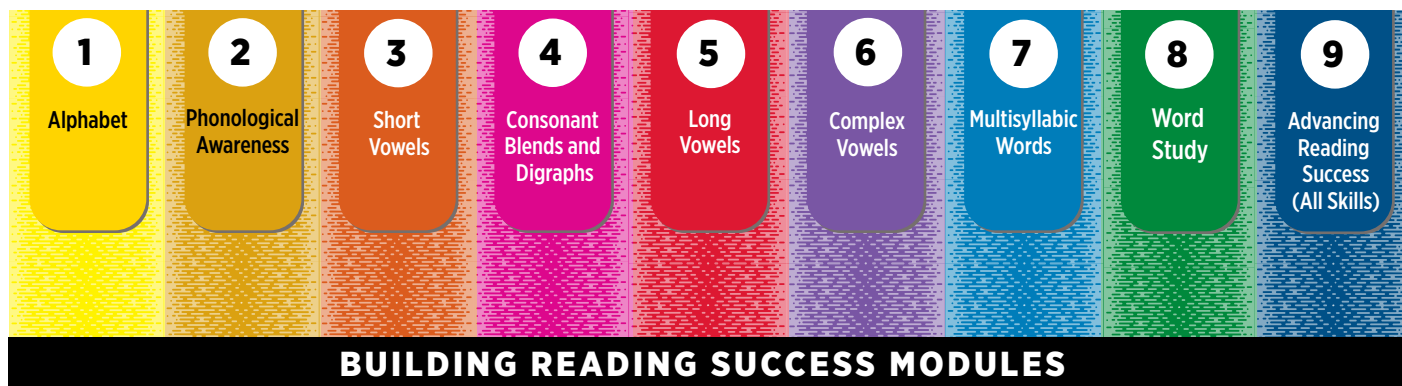

### Assess, Diagnose, and Prescribe

The comprehensive, adaptive assessment system helps teachers:

- Strategically identify students in need of intervention
- Place each student in the appropriate module based on the foundational skills learning progression
- Monitor progress toward reading proficiency with detailed data
- Analyze high-level to item-level data on accuracy, fluency, spelling patterns, and level of mastery
- Determine readiness to exit the program or move to a Tier 3 intervention

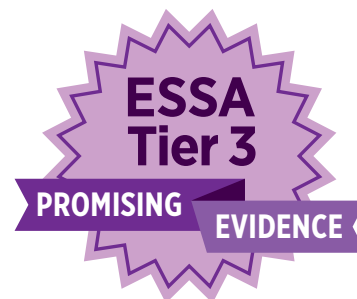

Interactive Assessments

### Follow a Proven Instructional Design

The program is organized into nine modules that follow a logical and systematic scope and sequence to build proficiency in foundational literacy skills.

The instructional routines are representative of the latest Science of Reading research and have satisfied the **ESSA evidence requirements for Tier 3 (Promising Evidence)**. In addition, *Advancing Reading Success*, the transitional module, supports students as they move back to full-time whole-group Tier 1 instruction to maintain skills after the intervention is completed.

## Easily Implement Instruction

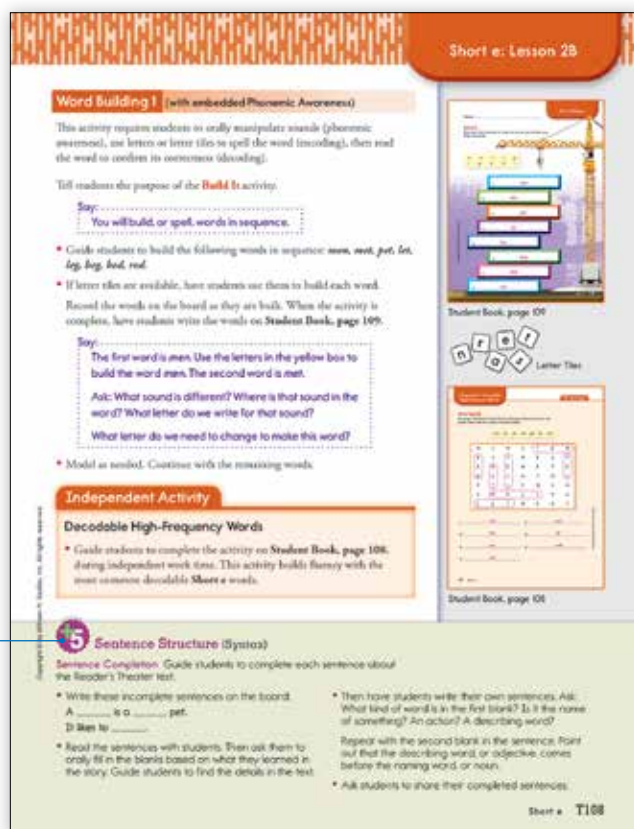

Instruction in the Teacher's Edition promotes explicit teaching and modeling, guided practice supported by using manipulatives and corrective feedback, and focused practice with application to encoding and decoding. Proven strategies, high impact routines, and instructional groupings—small groups or individuals—are used to accelerate student learning.

Relevant resources are placed in the sidebars for ease of use and reference.

Direct instruction is at point of use.

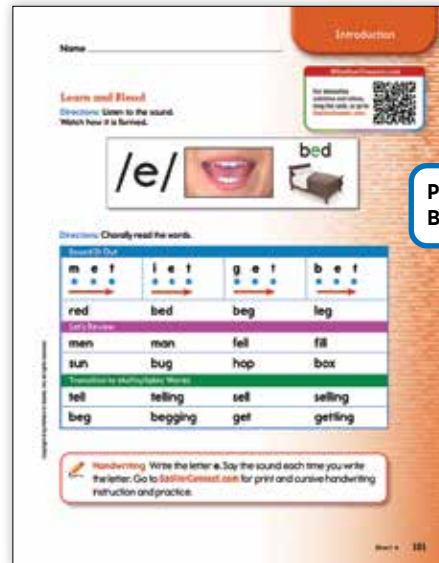

Corrective feedback is targeted, timely, and specific to aid students in the learning process.

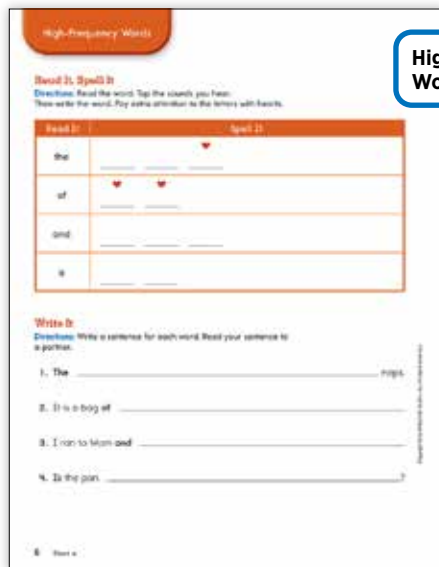

Flexible Implementation models accommodate small groups or individuals in 15-, 20-, 30-, or 45-minute sessions.

## Employ Research-Based Instructional Routines

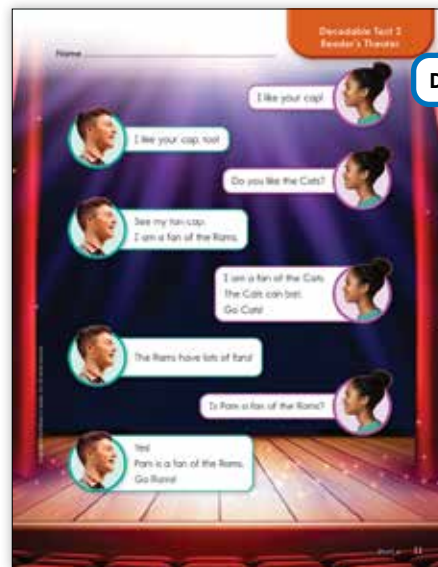

Each target skill is divided into a series of five lessons and taught with research-based instructional routines such as Blending, Dictation, and application to reading and writing. Vocabulary and grammar instruction is integrated within each Target Skill lesson to increase comprehension and promote effective writing.

## Unlock Literacy Proficiency with Handwriting Instruction

Sadlier's **NEW!** Handwriting program cultivates fine motor skills and activates various regions of the brain essential for cognition, language procession, and memory functions.

- A **3-step instructional approach**—Introduce, Model, Practice and Write—is mapped out in the Teacher's Edition and in instructional letter formation videos online at [SadlierConnect.com](http://SadlierConnect.com).
- **Explicit letter formation instruction** is combined with the associated letter sound.
- **Modeling** guides each student with starting points, stroke sequences, and directionality, including proper pencil grip and posture for each letter and numbers 0-10.
- **Visual and audio representations** of letters support students in reading and writing fundamentals.
- Students **practice** writing lowercase and uppercase letters individually, in words, and in the context of sentences.

## with Adaptive Practice!

### Implement Direct Instruction

Build word knowledge with relevant definitions, inflectional ending examples, and informative instructional videos.

Immediate application of word knowledge acts as a self-check.

Students can easily navigate through assignments.

Definitions include instructional videos and multiple meaning words.

### Facilitate Guided and Independent Practice

**Guided Practice** activities with immediate corrective feedback and adaptive practice promote learning, deepen understanding, and build students' academic vocabulary. These activities offer personalized instruction while saving valuable time for teachers.

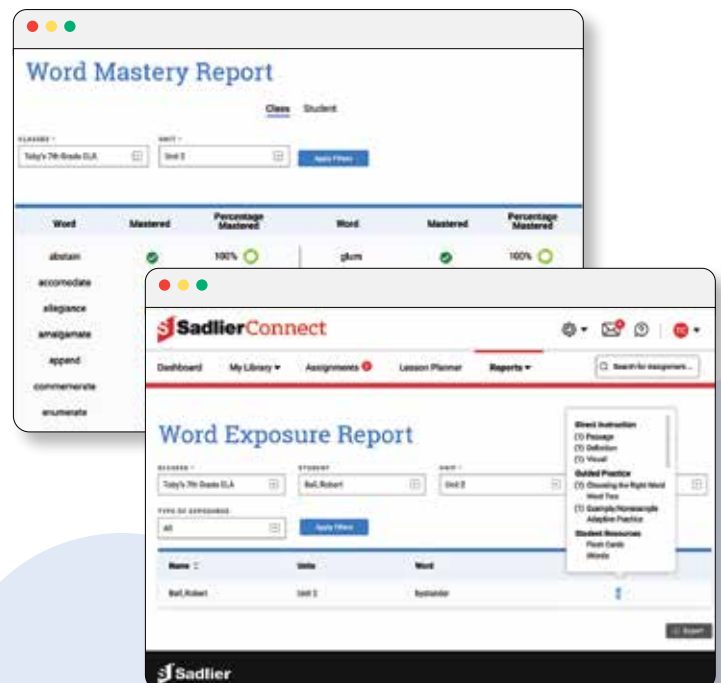

**Engaging Independent Practice** empowers students to reinforce newly acquired vocabulary through repetition and application in various contexts. This approach solidifies understanding and retention of words.

Guided Practice Activity, Word Ties

### Administer Assessments and Analyze Data

Administer Unit Pre- and Post-Tests, analyze word retention with Word Mastery Reports, and tailor instruction to meet individual learning needs.

## Achieve Success 10 Words at a Time!

A crucial component of Scarborough's Reading Rope is facilitating exploration of word relationships and connections. With *Vocabulary Workshop Achieve*, students will:

- **Deepen understanding of each word's meaning** by focusing on only 10 words at a time
- **Increase reading comprehension** with 13 targeted contextual and definitional exercises
- **Develop word-learning strategies** including looking for roots, prefixes, suffixes, and using context clues
- **Prepare for standardized tests** with modeled item types
- **Engage with interactive resources** as they learn, practice, and retain their word knowledge

Interested in a digital companion or stand-alone program that aligns with *Vocabulary Workshop Achieve*? Check out *Vocabulary Workshop Select* on page 26.

## Establish Academic Excellence

The *Tools for Excellence* edition continues the legacy of *Vocabulary Workshop*'s more than 50 years of success. Building students' vocabularies requires not only research-based word lists. Whether the print or Interactive Edition, this edition provides:

- **Abundant practice** to promote deep word knowledge, word learning strategies, word conscience, and critical thinking
- **Multiple exposures** to vocabulary in context and through active learning using a variety of exercises and games
- **Engaging digital resources** that meet the needs of all learners
- **Customizable** assessments and practice with the Online Assessments (separate purchase)

## Focus on Vocabulary to Build Comprehension

Vocabulary instruction is an integral part of Scarborough's Reading Rope model as it contributes to reading comprehension, word recognition, background knowledge, language development, writing skills, and academic success.

With *Tools for Comprehension*, students engage with research-based, high-utility words, and practice vocabulary strategies that lead to overall academic success.

- **Words in Context** passages with audio connect to both unit introductory passages and grade-level grammar instruction.
- **Greek and Latin Roots** activities provide instruction and application that help students use word parts to expand their word knowledge.
- **Collaboration** activities promote a deeper understanding of definitions.
- **Interactive Online Resources**, including games and practice quizzes, engage today's students in dynamic practice and review.

Interested in a digital companion or stand-alone program that aligns with *Vocabulary Workshop Tools for Comprehension*? Check out *Vocabulary Workshop Interactive Edition* on page 31.

## Take Vocabulary Learning Anywhere

Word learning will never be interrupted with the Interactive Editions of *Vocabulary Workshop*! Students access the same content as the research-based, proven *Vocabulary Workshop* print books to build their vocabularies.

- **Varied practice opportunities** happen through contextual and definitional approaches.
- **Auto-scored\* assignable exercises** make it easy to differentiate instruction.
- **Online Assessments**, including the option to customize assessments and practice, help monitor student progress and meet individual needs.
- **Customize learning** through a robust item bank with technology-enhanced questions.

\*Writing assignments must be manually scored.

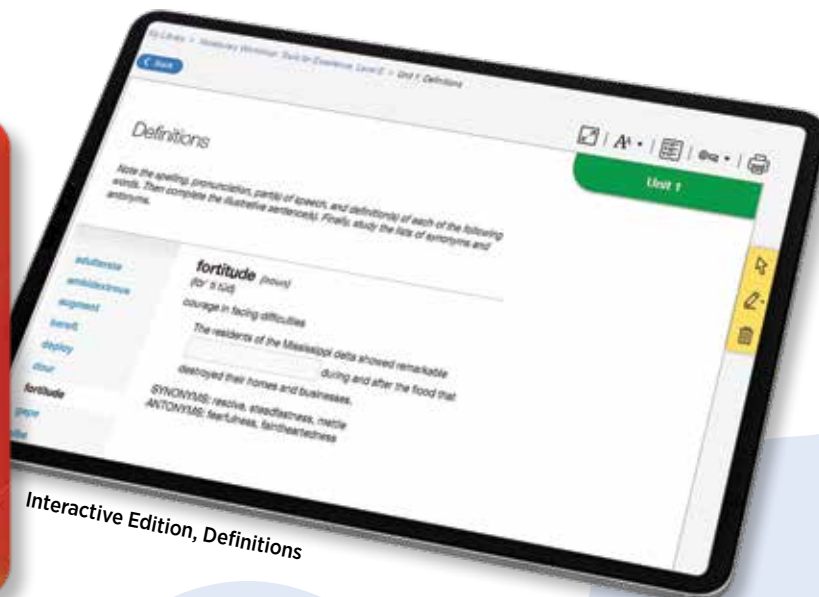

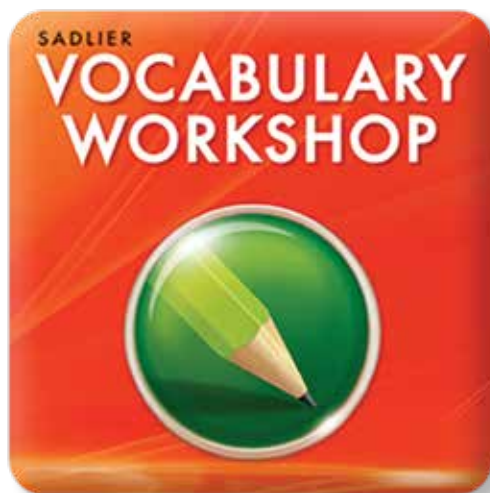

Perfect as a stand-alone program or a digital companion to *Vocabulary Workshop Tools for Comprehension*!

## Teach Grammar to Build Writers!

As a key element in the Science of Reading and the Writing Rope, grammar plays a critical role in effective communication and understanding language.

Now starting with Grade 2, the *Tools for Writing* edition of *Grammar Workshop* prepares students to communicate clearly and correctly while helping to instill a love for writing.

- **The proven 3-step instructional routine—Learn, Practice, and Write**—is carefully paced using the right amount of instruction, making it manageable for students.
- **Interactive activities** let students practice and apply each unit's grammar skills in the contexts of reading and writing.
- **A Writing Process Handbook** provides step-by-step instruction and is used as a reference guide for students as they write throughout the year.
- **Integrated online resources** reinforce grammar skills and concepts taught in each lesson.

## Build Grammar Skills with Focus and Flexibility

*Grammar Workshop*, Grades 6–8, prepares students to communicate clearly and correctly through explicit instruction, scaffolded practice, and immediate application of skills. Students learn grammatical concepts in a supported and logical sequence of structured lessons—**Learn, Practice,** and **Write**—to help them apply their knowledge of language in their writing.

With the **NEW!** *Grammar for Writing*, students learn to write effectively with strategies for planning, composing, revising, and editing so they become confident writers.

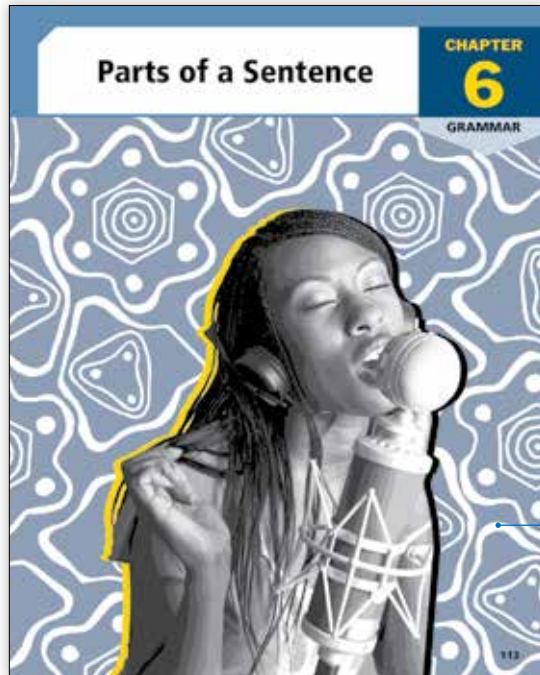

- **Develop writing skills** for reaching different audiences.
- **Promote smart use of grammar and language** to express ideas and set the tone.
- **Refine the writing process** by approaching with strategies and specific tasks.
- **Reinforce learning with *New* Interactive Practice and Assessments** featuring editing tools, targeted practice, and interactive games.

# Interactive Tools!

## Check Out What's New!

The **NEW** *Grammar for Writing* helps students see the value and importance of grammar in their lives, motivating them to develop their writing skills, express their thoughts, and produce meaningful pieces of writing.

An engaging, updated design throughout each level enhances learning.

**Capitalization and Spelling**

7. mandela went on to become the first democratically elected leader of south africa.

8. In 1993, he received the nobel peace prize.

9. Have you heard of the nelson mandela children's fund?

10. I hope to study more about african history in social studies next year.

**EXERCISE 2 Editing an Article**

As you read the article below, correct the capitalization errors.

rosa parks, a civil rights activist, died monday, October 24, 2005, in detroit, michigan. She was ninety-two. In the city of Montgomery in Alabama, american-born parks refused to give up her bus seat to a white man in 1955. Her arrest triggered a bus boycott organized by martin luther king and many african american followers. The boycott led to a court ruling that allowed all people to ride and sit where they please on montgomery buses.

**Write What You Think**

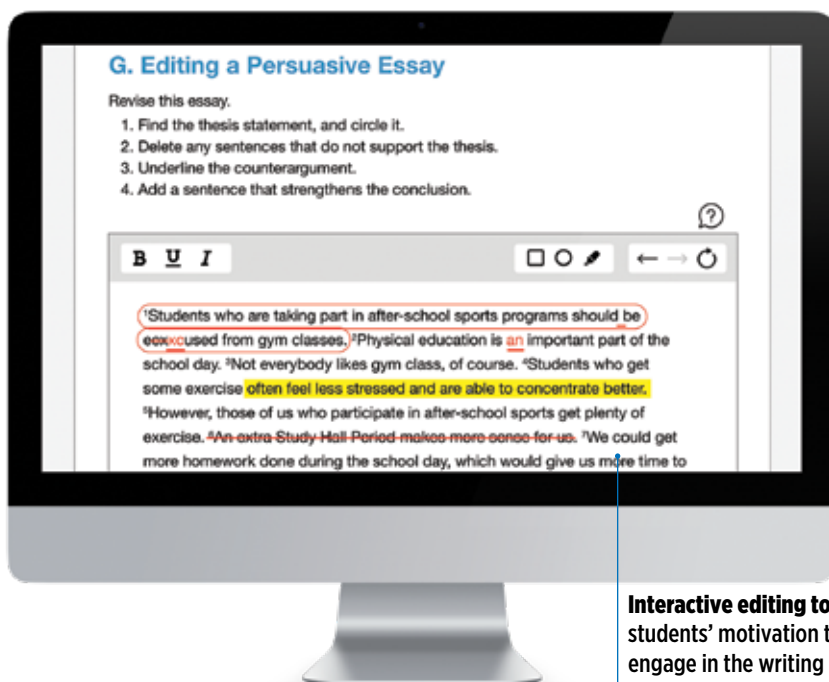

On a separate sheet of paper, answer the question below: Which twenty-first-century hero or heroine do you believe will always be remembered? Why?

1. Write at least five sentences.

2. Include at least two proper nouns and one proper adjective.

244 Chapter 12 • Capitalization and Spelling

Relevant articles, essays, and passages model quality writing on topics of interest to today's students.

Interactive editing tools enhance students' motivation to edit and engage in the writing process.

Sadlier is excited to introduce a **NEW** edition of *Progress in Mathematics* for Grades K-2. This trusted program has been updated to ensure its continued success with a new generation of students. The fresh design and enhanced features will enrich the learning experience for every student, leading all to mathematical proficiency.

Updates include:

- **Enhanced problem-solving strand** with grade-level appropriate multistep and open-ended problems, plus opportunities for discussion
- **Differentiation** supports in every lesson to meet the needs of all learners
- **STEAM** connections for each Chapter making math relevant
- **Streamlined lesson organization** for easier implementation
- **Refreshed lessons** to align with the latest math standards
- **Comprehensive assessments** to monitor student progress
- **Much more!**

# True, and Now Enhanced!

**Let's Learn!**

Use these 5 addition strategies to find sums.

- 1. Make 10**  
 $9 + 3 = 12$
- 2. Count on**  
 $4 + 2 = 6$
- 3. Look for patterns**  

Addend	Addend	Sum
2	1	3
3	1	4
4	1	5
- 4. Use doubles**  
 $2 + 2 = 4$   
 $20 + 2 = 22$
- 5. Use doubles + 1**  
 $30 + 3 = 33$

**Math Words**  
addition strategies

Find the sum.

- $$\begin{array}{r} 8 \\ +2 \\ \hline 10 \end{array}$$

$$\begin{array}{r} 3 \\ +3 \\ \hline 6 \end{array}$$

$$\begin{array}{r} 2 \\ +9 \\ \hline 11 \end{array}$$

$$\begin{array}{r} 4 \\ +7 \\ \hline 11 \end{array}$$

$$\begin{array}{r} 6 \\ +0 \\ \hline 6 \end{array}$$
- $$\begin{array}{r} 7 \\ +4 \\ \hline 11 \end{array}$$

$$\begin{array}{r} 7 \\ +3 \\ \hline 10 \end{array}$$

$$\begin{array}{r} 7 \\ +2 \\ \hline 9 \end{array}$$

$$\begin{array}{r} 7 \\ +1 \\ \hline 8 \end{array}$$

$$\begin{array}{r} 7 \\ +0 \\ \hline 7 \end{array}$$
- $8 + 1 = 9$      $9 + 3 = 12$      $3 + 4 = 7$

**Let's Talk!**

4. Which strategy did you use most? Why?

**Let's Practice!**

Look for patterns. Use doubles. Use doubles + 1. Make 10. Count on.

Find the sum.

- $6 + 6 = 12$      $3 + 7 = 10$      $4 + 5 = 9$
- $8 + 4 = 12$      $5 + 7 = 12$      $5 + 5 = 10$
- $6 + 5 = 11$      $5 + 4 = 9$      $6 + 2 = 8$
- $$\begin{array}{r} 9 \\ +1 \\ \hline 10 \end{array}$$

$$\begin{array}{r} 1 \\ +8 \\ \hline 9 \end{array}$$

$$\begin{array}{r} 8 \\ +3 \\ \hline 11 \end{array}$$

$$\begin{array}{r} 6 \\ +5 \\ \hline 11 \end{array}$$

$$\begin{array}{r} 2 \\ +3 \\ \hline 5 \end{array}$$

**Problem Solving** Use a problem-solving strategy. Show your work on a separate sheet of paper.

- Fred buys 4. Then he buys 3 more. How many does Fred buy in all? Fred buys 7.
- Seth has 5. Sari has 2 more than Seth. How many do they have in all? Sari has 7.

**Challenge Yourself!**

How many more will make each side the same? Write each addition sentence.

- $3 = 1 + 2$
- $4 = 2 + 2$

## Guide Student Progress Toward Mathematical Proficiency

Embark on a journey to mathematical excellence for students with a comprehensive approach to learning!

- **Innovative Teaching Strategies:** Employ research-based instructional methods developed by teachers for teachers, ensuring classroom success.
- **Step-by-Step Guidance:** Guide students from concrete understanding to pictorial representation, and finally to abstract thinking with a unique five-step lesson plan.
- **Abundant Practice:** Provide varied exercises, problems, and engaging digital support to reinforce concepts and skills.
- **Comprehensive Assessments:** Assess conceptual understanding, mathematical vocabulary, skill development, and problem-solving abilities.
- **Tailored Support:** Reach students at their individual cognitive and mathematical levels with strategies for reteaching, reinforcing, and challenging.

Chapter Opener

# Progress in Mathematics

## GRADES K-2

**Problem Solving Strategy**

**Use a Graph**

**Read:** Carlos has twice as many as which other sticker?

**Plan:** Use the graph. Count how many, Carlos has 6. He has 4 and 3. Which number doubled is 6?

**Write:**  $4 + 4 = 8$  → 4 doubled is not 6.  
 $3 + 3 = 6$  → 3 doubled is 6.  
 Carlos has twice as many as 3.

**Check:** Draw a picture to show how many of each sticker.

Use the pictograph above to solve each problem.

1. Carlos puts all his stickers in a book. How many stickers are in the book? \_\_\_\_\_ stickers are in the book.

2. If Carlos gets another \_\_\_\_\_, how many \_\_\_\_\_ will he have? Carlos will have \_\_\_\_\_.

Chapter 6, Lesson 6

**Problem Solving Applications**

**Read Plan Write Check**

**Mixed Strategies**

Use a strategy you have learned.

**Sports Card Collections**

Player	Cards
Tobi	★★★★
Kacy	★★★★
Mandy	★★★★★★

Key: Each ★ stands for 1 card.

Use the graph above for Exercises 1–3.

1. Who has twice as many cards as Tobi? \_\_\_\_\_

2. How many more cards do Kacy and Mandy have than Tobi? \_\_\_\_\_

3. How many more cards does Mandy collect than Kacy? \_\_\_\_\_ more

4. Ada has 9. Bo has 3 fewer than Ada. How many does Bo have? Bo has \_\_\_\_\_.

5. Rob has 3 and 2. He also has 2 fewer than Ada. How many robots does Rob have in all? Rob has \_\_\_\_\_ robots in all.

Chapter 6, Lesson 6

Problem Solving Strategy and Applications

Virtual Manipulatives, Grades K-6

## Build Math Confidence in Students

Skills and concepts are broken down into “bite-sized” chunks of content, allowing students to move as quickly as they can or as slowly as they must, instilling confidence in their mathematical understanding!

- **Step-by-step instruction:** Direct, explicit instruction uses models and multiple representations to guide students in making connections.
- **Math Discourse:** Talk it Over and Write About It features encourage students to articulate their thinking both orally and in writing.
- **Vocabulary Development:** Math Words target the precise language students should be learning and using to communicate mathematically.
- **Problem Solving:** Multiple layers of problem-solving activities are embedded into each chapter and lesson. Strategy and Application lessons require students to apply math and use higher-level thinking skills.
- **Math Fluency:** Ample practice of strategies and facts helps students generate fluency.

### Strengthen Learning with Engaging Practice

Student practice not only enhances mathematical proficiency but also fosters a positive attitude toward learning and problem solving. Using both the Student Workbook and Digital Resources, students will reinforce, maintain, and extend math skills.

### Student Workbook

The newly revised, four-color Student Workbook has a corresponding page of practice aligned to each lesson in the program to reinforce lesson objectives. Students apply math concepts in various contexts, helping them understand how math is used in everyday life.

### FREE Digital Resources

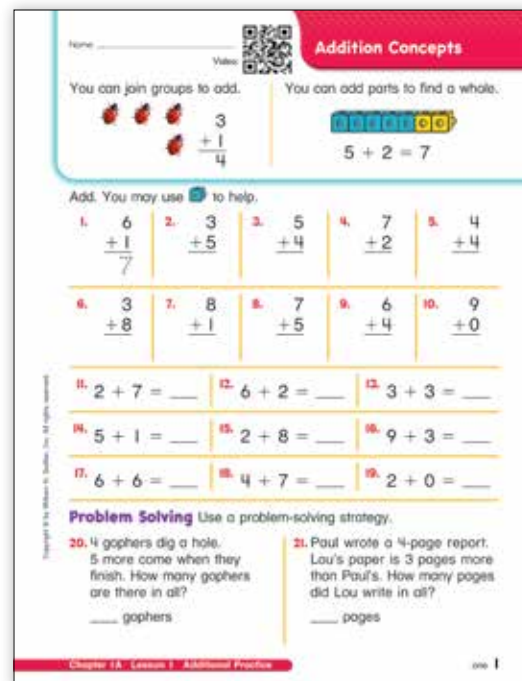

Enhance instruction and meet each student's unique needs using a diverse range of free online resources available on *Sadlier Connect*, Sadlier's comprehensive learning platform at [www.SadlierConnect.com](http://www.SadlierConnect.com). Teachers, students, and parents will find additional activities to enhance student learning and to promote a deep understanding of mathematics.

- Instructional videos for every lesson
- Interactive lesson slides
- Professional Development videos
- Interactive Problem of the Day
- Interactive Mental Math activities
- Plus, much more!

### Assess and Inform Next Instructional Steps

*Progress in Mathematics* provides an array of formative and summative assessments to help teachers monitor student progress toward mathematical proficiency before, during, and after each chapter and support differentiated instruction.

**Full Access** for *Progress in Mathematics* is an integrated assessment solution to assist teachers in evaluating students' skill levels, analyzing data, and adjusting instruction to address individual student learning gaps at strategic points of the school year.

## Build a Foundation in Number Sense, Enhance Procedural Skills, and Develop Fluency

- **A logical scope & sequence** ensures instruction is thorough and complete and adheres to rigorous standards.
- **A focus on number sense** encourages a deep understanding of mathematical concepts rather than rote memorization to include procedural skills and fluency.
- **Frequent and diverse practice** improves long-term retention of mathematical concepts and skills.
- **Abundant problem-solving opportunities** allow students to apply mathematical concepts in different contexts, fostering a deep understanding of math that benefits them throughout life.
- **Embedded professional learning support** provides step-by-step instruction for teaching each lesson, explains each lesson's purpose, and highlights the connections between current, previously taught, and future skills.

## Give Students the Skills for Algebra and Beyond

Help students in Grades 7–8+ build a stronger and deeper understanding of mathematics and provide them with the necessary skills for Algebra and beyond.

- **Clear, concise, and explicit instruction** is delivered using the Concrete-Pictorial-Abstract approach.
- **Skills and concepts** are developed through real-world and critical-thinking problems embedded in every lesson.
- **A blend of print and online resources** support learning.
- **Assessment options** in the *Progress in Mathematics Full Access Bundle* assist teachers in evaluating students' skill levels, analyzing data, and adjusting instruction.
- **Robust Item Banks\*** include 900+ items to build custom assessments for each grade level and help monitor student progress toward lesson learning objectives.

## Reading Complex Texts Doesn't Need to be Complex

We've done the work for you!

*Close Reading of Complex Texts* provides the texts and questions you need to support instruction in the close reading and critical analysis of complex texts across content areas.

- **Expertly curated text sets** from a variety of disciplines save you time.
- **Meaningful Focus Questions** connect the unit texts to build students' knowledge.
- **Carefully crafted, Text-Dependent Questions** help students to closely and critically read increasingly complex texts.
- **Unique Getting Started unit** provides direct, systematic instruction on "how to" read closely.

Sadlier accepts credit card payments from American Express, Discover, Mastercard, and Visa. Credit cards will be pre-approved for the entire order at the time the order is placed. Credit cards are only charged for items that have shipped.

## NEW ACCOUNT

To create a new account, email [customerservice@sadlier.com](mailto:customerservice@sadlier.com) with your complete bill to and ship to address, including contact name, institution name, street address, city, state, zip code, email address for the account, and telephone number.

## ACCOUNTS RECEIVABLE

For questions regarding an invoice, to make a payment, or to request a copy of your invoice, please email [accountsreceivable@sadlier.com](mailto:accountsreceivable@sadlier.com) or call 1-800-221-5175, option 1.

## SHIPPING

All shipments are sent UPS Ground, FedEx Ground, or freight, according to weight. Allow 1–3 weeks for delivery. Add shipping and handling charges of 12% of the order total price (plus \$5.95 if the order total price is less than \$500.00). Alaska, Hawaii, and Puerto Rico, please call for shipping quotes. There is a 2% handling fee or a \$7.95 minimum handling fee for customers who use their own shipping company.

## SALES TAX

Personal orders subject to sales tax. Institutional orders subject to sales tax where applicable. First-time orders from tax-exempt organizations must include a copy of their sales tax exemption certificate.

## SOLE SOURCE AND W-9

Sole Source and W-9 downloadable forms are available [www.Sadlier.com](http://www.Sadlier.com).

## FAX CUSTOMERS

Please label any fax copies of the order as a “confirming order.” Sadlier is not responsible for duplication of a shipment if confirming order is not clearly indicated.

## INTERNATIONAL AND U.S. TERRITORIES

Please contact Customer Service via email at [customerservice@sadlier.com](mailto:customerservice@sadlier.com) for an estimated international freight/shipping quote for your order. Please include what you would like to order (ISBNs, title, and quantity), your complete shipping and billing address (including postal code), phone, fax number, and email address. Orders must be paid in advance in U.S. dollars via credit card, check, or wire transfer. Any customs or duty charges are the responsibility of the recipient. Orders where Sadlier has a third-party distributor may be forwarded to the distributor for processing.

## EUROPEAN UNION (EU) AND EUROPEAN ECONOMIC AREA (EEA)

Sadlier currently does not directly provide goods and services to educators and schools in the EU or EEA. Your local distributor may carry some Sadlier products. These distributors are solely responsible for any orders you place with them. For a list of distributors, visit [www.Sadlier.com/school/sadlier-international-distributors](http://www.Sadlier.com/school/sadlier-international-distributors).

## DIGITAL ORDERS

All digital orders have an account activation fee. For all orders the activation fee is 5% of the total order. When ordering eBooks, Interactive Editions, Online Assessments, and other digital products, email [customerservice@sadlier.com](mailto:customerservice@sadlier.com). All digital orders must include a Digital Activation form. Download the Digital Activation form at [www.SadlierSchool.com/catalogs](http://www.SadlierSchool.com/catalogs).

## TECHNICAL SUPPORT

For technical assistance with your Sadlier digital products, including activation, please contact Technical Support at [support@sadlierconnect.com](mailto:support@sadlierconnect.com) or +1-800-264-8060.

## RETURN POLICY

100% Customer Satisfaction Guaranteed! Materials in resalable condition are accepted for return within 60 days of invoice date. A partial return of bundled products for a credit will cause any applicable discount to be voided, and the discounted amount will be deducted from the amount of the credit. For return authorization, please email [customerservice@sadlier.com](mailto:customerservice@sadlier.com) with the sales order number and your complete address, stating titles, quantities, and the reason for the return of the materials. Customers are responsible for the cost of shipping their return materials.

No returns permitted on: Bundles, Tests, Blackline Masters, eBooks, Interactive Editions, Online Assessments, or materials opened in kits or 10-packs.

Stamped or marked books, Teacher's Editions, and Activity Books cannot be returned for credit.
